## DR. PORTER'S ANTISEPTIC HEALING OIL

The Antiseptic Healing properties of this formula was discovered by Dr. Porter, who was at the time he made this discovery one of the surgeons of the Louisville & Nashville R. R. Co., and the discovery was made because of the many surgical operations he had to perform, and we do not hesitate to say to our thousands of friends that it is a wonderful healing preparation. It relieves pain and heals at the same time. Heals inflammation quicker than anything we have ever tested. It relieves the pain of a cut and heals it in a very short time. Old Running Sores of twenty years' standing or longer, have been healed by the use of this preparation, and for Old Ulcers or Sores, special directions must be followed as given below.

Wet thoroughly with the Antiseptic Oil a piece of absorbent cotton large enough to cover the Ulcer or Running Sore; lay this cotton which has been wet with the Oil on the Ulcer or Running Sore; then place over the cotton thus applied a piece of tinfoil or oiled silk, and then wrap the bandage over the tinfoil or oiled silk. To heal these Old Ulcers or Running Sores it is necessary to keep the diseased parts thoroughly wet with the oil day and night, and the object of the tinfoil or oiled silk is to prevent the bandage from absorbing the Oil and thus taking it away from the affected parts. The tinfoil or oiled silk, for this purpose, can be obtained at any Drug Store.

IT IS ABSOLUTELY CLEAN. This Antiseptic Oil, while it is used for Old Ulcers and for Stock, it is absolutely sanitary and clean, so much so that it is used largely for the mouth, that is for Tender Gums and Sore Throat, and it can be applied to any part of the body for irritated skin or sores of any kind. For Sore Throat, the Antiseptic Healing Oil should be applied with a mop in the usual way.

For Sale by all Dealers in Drugs.

# GROVE'S TASTELESS WORM SYRUP

A safe and Effective Preparation for all forms of worms in children. It is an excellent tonic for pale and delicate children and will aid in building up frail and delicate constitutions.

This is exactly the same as GROVE'S TASTELESS CHILL TONIC with the proper amount of Santonin added, making it both a Worm Medicine and General Tonic combined. All children afflicted with worms have bad blood and need a general tonic, and therefore, a worm medicine combined with a general tonic is better for the child than the worm medicine alone. In GROVE'S TONIC WORM SYRUP, they get Santonin, the standard remedy for Worms, and at the same time, they get the tonic properties of GROVE'S TASTELESS CHILL TONIC. As you know the value of GROVE'S TASTELESS CHILL TONIC in the home as a general tonic we are sure that this combination of a general tonic and worm medicine will appeal to you. Just as pleasant to take as GROVE'S TASTELESS CHILL TONIC.
